Population Control, Nazis, and the U.N!

Rockefeller & Mass Murder

The Rockefeller Foundation is the prime sponsor of public relations for the United Nations' drastic depopulation program. Evidence in the possession of a growing number of researchers in America, England, and Germany demonstrates that the Foundation and its corporate, medical, and political associates organized the racial mass murder program of Nazi Germany.

These globalists, who function as a conduit for British Empire geopolitics, were not stopped after World War II. This United Nations alliance of the old Nazi right, with the new left, poses an even graver danger to the world today than it did in 1941. Oil monopolist John D. Rockefeller created the family-run Rockefeller Foundation in 1909. By 1929 he had placed \$300 million worth of the family's controlling interest in the Standard Oil Company of New Jersey (now called "Exxon") to the account of the Foundation.

The Foundation's money created the medical specialty known as Psychiatric Genetics. For the new experimental field, the Foundation reorganized medical teaching in Germany, creating and thenceforth continuously directing the "Kaiser Wilhelm Institute for Psychiatry" and the "Kaiser Wilhelm Institute for Anthropology, Eugenics and Human Heredity." The Rockefellers' chief executive of these institutions was the fascist Swiss psychiatrist **Ernst Rudin**, assisted by his proteges **Otmar Verschuer** and **Franz J. Kallmann**.

Eugenics & Racial Laws

In 1932, the British-led "Eugenics" movement designated the Rockefellers' Dr. Rudin as the president of the worldwide Eugenics Federation. The movement called for the killing or sterilization of people whose heredity made them a public burden. - The Racial Laws - A few months later, Hitler took over Germany and the Rockefeller-Rudin apparatus became a section of the Nazi state.

The regime appointed Rudin head of the Racial Hygiene Society. Rudin and his staff, as part of the Task Force of Heredity Experts chaired by SS chief Heinrich Himmler, drew up the sterilization law. Described as an American Model law, it was adopted in July 1933 and proudly printed in the September 1933 Eugenical News (USA) with Hitler's signature. The Rockefeller group drew up other race laws, also based on existing Virginia statutes.

Otmar Verschuer and his assistant **Josef Mengele** together wrote reports for special courts which enforced Rudin's racial purity law against cohabitation of Aryans and non-Aryans. The "T4" unit of the Hitler Chancery, based on psychiatrists led by Rudin and his staff, cooperated in creating propaganda films to sell mercy killing (euthanasia) to German citizens. The public reacted antagonistically: Hitler had to withdraw a tear-jerker right-to-

die film from the movie theaters.

The proper groundwork had not yet been laid. Under the Nazis, the German chemical company **I.G. Farben** and Rockefeller's **Standard Oil of New Jersey** were effectively a single firm, merged in hundreds of cartel arrangements. I.G. Farben was led, up until 1937, by the Warburg family, Rockefeller's partner in banking and in the design of Nazi German eugenics. Following the German invasion of Poland in 1939, Standard Oil pledged to keep the merger with I.G. Farben going even if the U.S. entered the war.

This was exposed in 1942 by Sen. Harry Truman's investigating committee, and President Roosevelt took hundreds of legal measures during the war to stop the Standard-I.G. Farben cartel from supplying the enemy war machine. In 1940-41, I.G. Farben built a gigantic factory at Auschwitz in Poland, to utilize the Standard Oil/I.G. Farben patents with concentration camp slave labor to make gasoline from coal.

The SS was assigned to guard the Jewish and other inmates and select for killing those who were unfit for I.G. Farben slave labor. Standard-Germany president Emil Helfferich testified after the war that Standard Oil funds helped pay for SS guards at Auschwitz. In 1940, six months after the notorious Standard-I.G. meeting, European Rockefeller Foundation official Daniel O'Brian wrote to the Foundation's chief medical officer Alan Gregg that "it would be unfortunate if it was chosen to stop research which has no relation to war issues"--so the Foundation continued financing Nazi "psychiatric research" during the war.

In 1936, Rockefeller's Dr. Franz Kallmann interrupted his study of hereditary degeneracy and emigrated to America because he was half-Jewish. Kallmann went to New York and established the Medical Genetics Department of the New York State Psychiatric Institute. The Scottish Rite of Freemasonry published Kallman's study of over 1,000 cases of schizophrenia, which tried to prove its hereditary basis. In the book, Kallmann thanked his long-time boss and mentor, Ernst Rudin.

Kallmann's book, published in 1938 in the USA and Nazi Germany, was used by the T4 unit as a rationalization to begin in 1939 the murder of mental patients and various "defective" people, perhaps most of them children. Gas and lethal injections were used to kill **250,000** under this program, in which the staffs for a broader murder program were desensitized and trained.

Dr. Josef Mengele

In 1943, Otmar Verschuer's assistant Josef Mengele was made medical commandant of Auschwitz. As wartime director of Rockefeller's Kaiser Wilhelm Institute for Anthropology, Eugenics and Human Heredity in Berlin, Verschuer secured funds for Mengele's experiments at Auschwitz from the German Research Council.

Verschuer wrote a progress report to the Council: "My co-researcher in this research is my assistant the anthropologist and physician Mengele. He is serving as Hauptstuermfuehrer and camp doctor in the concentration camp Auschwitz...."

With the permission of the Reichsfuehrer SS Himmler, anthropological research is being

undertaken on the various racial groups in the concentration camps and blood samples will be sent to my laboratory for investigation." Mengele prowled the railroad lines leading into Auschwitz, looking for twins--a favorite subject of psychiatric geneticists. On arrival at Mengele's experimental station, twins filled out ``a detailed questionnaire from the Kaiser Wilhelm Institute.

" There were daily drawings of blood for Verschuer's ``specific protein" research. Needles were injected into eyes for work on eye color. There were experimental blood transfusions and infections. Organs and limbs were removed, sometimes without anesthetics. Sex changes were attempted. Females were sterilized, males were castrated. Thousands were murdered and their organs, eyeballs, heads, and limbs were sent to Verschuer and the Rockefeller group at the Kaiser Wilhelm Institute.

In 1946, Verschuer wrote to the Bureau of Human Heredity in London, asking for help in continuing his ``scientific research."

Facelift

In 1947, the Bureau of Human Heredity moved from London to Copenhagen. The new Danish building for this was built with Rockefeller money. The first International Congress in Human Genetics following World War II was held at this Danish institute in 1956. By that time, Verschuer was a member of the American Eugenics Society, then indistinguishable from Rockefeller's Population Council. Dr. Kallmann helped save Verschuer by testifying in his denazification proceedings.

Human Genome Project

Dr. Kallmann created the American Society of Human Genetics, which organized the ``Human Genome Project"--a current \$3 billion physical multiculturalism effort. Kallmann was a director of the American Eugenics Society in 1952 and from 1954 to 1965.

In the 1950s, the Rockefellers reorganized the U.S. eugenics movement in their own family offices, with spinoff population-control and abortion groups. The Eugenics Society changed its name to the **Society for the Study of Social Biology**, its current name.

The Rockefeller Foundation had long financed the eugenics movement in England, apparently repaying Britain for the fact that British capital and an Englishman-partner had started old John D. Rockefeller out in his Oil Trust. In the 1960s, the Eugenics Society of England adopted what they called **Crypto-eugenics**, stating in their official reports that they would do eugenics through means and instruments not labeled as eugenics.

With support from the Rockefellers, the Eugenics Society (England) set up a sub-committee called the **International Planned Parenthood Federation**, which for 12 years had no other address than the Eugenics Society. This, then, is the private, international apparatus which has set the world up for a global holocaust, under the UN flag.

[For more information about the Planned Parenthood and Rockefeller connection to AIDS and disinformation campaigns, read the book "Emerging Viruses: AIDS & Ebola--Nature, Accident or Intentional?" by Dr. Leonard Horowitz (Tetrahedron Press, 1996).]
