See separate instructions.

Attach to the corporation's tax return.

Department of the Treasury Internal Revenue Service

Name THE ROCKEFELLER FOUNDATION

Employer identification number 13-1659629

Note: Generally, the corporation is not required to file Form 2220 (see Part II below for exceptions) because the IRS will figure any penalty owed and bill the corporation. However, the corporation may still use Form 2220 to figure the penalty. If so, enter the amount from page 2, line 38 on the estimated tax penalty line of the corporation's income tax return, but do not attach Form 2220.

Part I Required Annual Payment

Table with 5 main rows and sub-rows (2a, 2b, 2c, 2d) for tax calculations. Line 1: Total tax 775,912. Line 2a: Personal holding company tax. Line 2b: Look-back interest. Line 2c: Credit for Federal tax paid on fuels. Line 2d: Total of 2a-2c. Line 3: Subtract line 2d from line 1. Line 4: Tax shown on 2007 income tax return (9,562,156). Line 5: Required annual payment (775,912).

Part II Reasons for Filing- Check the boxes below that apply. If any boxes are checked, the corporation must file Form 2220 even if it does not owe a penalty (see instructions).

- 6 [] The corporation is using the adjusted seasonal installment method
7 [x] The corporation is using the annualized income installment method
8 [x] The corporation is a "large corporation" figuring its first required installment based on the prior year's tax

Part III Figuring the Underpayment

Table with 4 columns (a, b, c, d) and 9 rows (9-18) for installment due dates and underpayment calculations. Line 9: Installment due dates (05-15-2008, 06-15-2008, 09-15-2008, 12-15-2008). Line 10: Required installments (193,978). Line 11: Estimated tax paid or credited (2,325,000, 1,500,000, 500,000). Line 12: Enter amount from line 18 of preceding column. Line 13: Add lines 11 and 12. Line 14: Add amounts on lines 16 and 17. Line 15: Subtract line 14 from line 13. Line 16: If amount on line 15 is zero, subtract line 13 from line 14. Line 17: Underpayment (2,131,022). Line 18: Overpayment (3,437,044).

Go to Part IV on page 2 to figure the penalty. Do not go to Part IV if there are no entries on line 17—no penalty is owed.

You can also call 1-800-829-4933 to get interest rate information.

grant application submission information	part xv, lines 2a through 2d	<p>(a) We ask prospective applicants to determine if their organization's project aligns with the Foundation's programmatic goals by visiting www.rockfound.org. The Foundation invites inquiries via a portal on our Web site at www.rockfound.org, and people and organizations who submit a written inquiry are redirected to that portal. Exceptions are made (and written applications reviewed) for anyone submitting an inquiry from an area where access to the Internet is inadequate, such as in parts of Africa.</p> <p>(b) Applicants are asked to fill in the on-line inquiry form on the Foundation's Web site at www.rockfound.org, in order for the Foundation to make an initial assessment of interest. Applicants to the Bellagio Center, Italy, are asked to apply online at www.rockfound.org.</p> <p>(c) In 2008, there were no specific submission deadlines for the Foundation's programs, other than for the Bellagio program and for the New York City Cultural Innovation Fund, which is an annual competitive program that was begun in 2007. In addition, from time to time, requests for proposals were sent out with specific deadlines to a select group of prospective grantees for particular projects.</p> <p>(d) The Rockefeller Foundation develops its programs, strategies and approaches designed to have an impact on a particular set of issues or challenges through a consultative and collaborative process. We engage a variety of groups, including subject matter experts, policymakers and representatives of local communities to fully understand a given challenge or opportunity, including the economic, political or social context in which it resides. In the course of program development, the Foundation identifies and considers organizations that we believe are best positioned to implement defined components of a program. This process helps determine the organizations that the Foundation will provide grants to, and we will then request project proposals from those organizations. In order to focus and maximize the impact of our grantmaking, we rarely provide funding in response to unsolicited proposals. As a matter of policy, the Foundation does not give or lend money for personal aid to individuals or, except in rare cases, fund endowments, or contribute to building and operating funds. The Rockefeller Foundation fosters innovative solutions to many of the world's most pressing challenges, affirming its mission, since 1913, to promote the well-being of mankind throughout the world. The Foundation works to ensure that more people can tap into the benefits of globalization while strengthening resilience to its risks. The Foundation's funding is centered on time-bound initiatives, current initiatives, as well as a reas being explored for future initiatives, are described on the Foundation's Web site at www.rockfound.org, which is continually updated. Initiatives that were active during 2008 included the Alliance for a Green Revolution in Africa, Disease Surveillance Networks, Building Climate Change Resilience, Transforming Health Systems, Harnessing the Power of Impact Investing, campaign for American workers, transportation policy, and Accelerating Innovation for Development. The Foundation also operates a conference and study program at its Bellagio Center in Italy.</p>
